Letter of Endorsement

In our capacity as Incession GmbH, a German company that provides consulting services, we are writing regarding the research project VET21001 - A standardized practical toolkit to implement the European Quality Assurance Framework for Vocational Education and Training and we would like to express our support for this project and our conviction that this applied research will be worthwhile, not only in Europe, but also beyond.

Supporting this project means Incession GmbH, will contribute to the development and the dissemination and exploitation of the project intellectual outputs by:

- Participating in consultations to review and improve the VET21001 Competence Profile (IO2);
- Participating in consultations to review and improve the VET21001 Curricula (IO4);
- Participating in consultations to review and improve the VET21001 Toolkit (IO5);
- Disseminating the outputs of the project through our professional networks and media channels.

Sincerely,

Florian Mai
