

1ST PHASE - LISTENING TO FORMER STUDENTS 2014/2017 TRAINING CYCLE

Question 1 - Are you working?

Answer: Yes or No

Question 2 - Are you working in your area of study?

This question should only be asked if the student answers **yes** to **question 1**.

Answer: Yes or No (according to your and the student's perception).

Question 3 - What is your function/activity in the company?

This question should only be asked if the student answers **yes** to **question 1**.

Answer: Areas:

Maintenance/Production/logistics/administrative/services/social/sales/technical/other to be defined by you if it does not fit into the above.

Question 4 Company - Company Name?

This question should only be asked if the student answered **yes** to **question 2**. However, as they may have difficulty in identifying whether or not they are working in their field of training they should collect this information if the student has answered yes to question 1.

Answer: What is the name of the company/company name - it is important to clarify this name (students sometimes have difficulty identifying the company).

It is also important to understand if the work contract was made directly by the company or through a recruitment/temporary work company. If yes, the name of this entity and its locality or reference person should be recorded.

Question 5 Company Location

Answer: Locality or Localities.

If there is a temporary employment agency as an intermediary, it must be registered not only the locality of the company where you are working, but also the locality of the company responsible for issuing the contract (temporary employment agency).

Question 6 Do you have an Employment Contract?

Answer: Yes or No
