## LETTER OF ENDORSEMENT

To Whom it May Concern,

In our capacity as Agrupamento de Escolas de Aveiro, a Portuguese organization that provides Educational Services – from pre-school to secondary school level, we are writing regarding the research project **VET21001 - A standardized practical toolkit to implement the European Quality Assurance Framework for Vocational Education and Training** and we would like to express our support for this project and our conviction that this applied research will be worthwhile, not only in Europe, but also beyond.

Supporting this project means Agrupamento de Escolas de Aveiro, will contribute to the development and the dissemination and exploitation of the project intellectual outputs by:

- Participating in consultations to test the VET21001 Toolkit (IO5);
- Disseminating the outputs of the project through our professional networks and media channels.

Yours Sincerely,

---
