

LETTER OF ENDORSEMENT

To Whom it May Concern,

In our capacity as insignis, a Portuguese organization that provides consultancy and training services, we are writing regarding the research project **VET21001 - A standardized practical toolkit to implement the European Quality Assurance Framework for Vocational Education and Training** and we would like to express our support for this project and our conviction that the outputs of this applied research will be worthwhile, not only in Europe, but also beyond.

Supporting this project means insignis will contribute to the development and the dissemination and exploitation of the project intellectual outputs by:

- Testing the outputs of the project and providing feedback for their improvement;
- Disseminating the outputs of the project through our professional networks and media channels;
- Managing the VET21001 website and assuring the dynamic growth of the VET21001 community.

Kind regards,

Sandra Feliciano
